

An abstract graphic on the left side of the slide. It features a dark blue background with glowing white and light blue lines that curve and swirl, creating a sense of motion and connectivity. Scattered throughout are binary digits (0s and 1s) in various sizes and colors (white, light blue, and dark blue).

Construction Project Monitoring

*Protect Critical Facility Operations During
Construction and Expansion Projects.*

Construction Project Monitoring

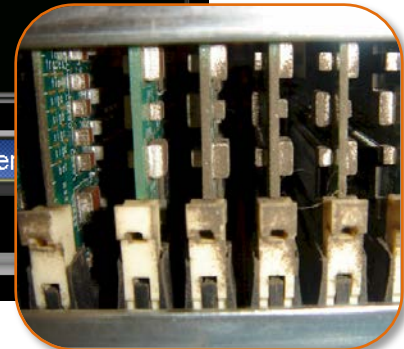

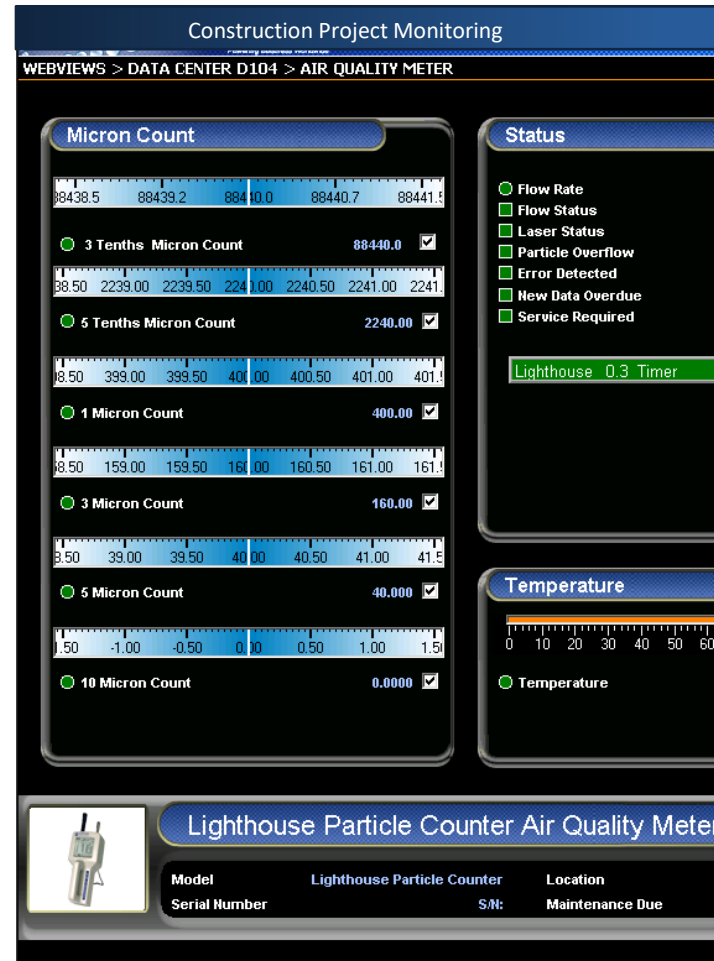

- 24/7 Monitoring
- Procedure Training
- Real-time alerts
- Protect hardware
- Avoid Failures
- Optimize timeline
- Fully Customizable

Protect Critical Facility Operations

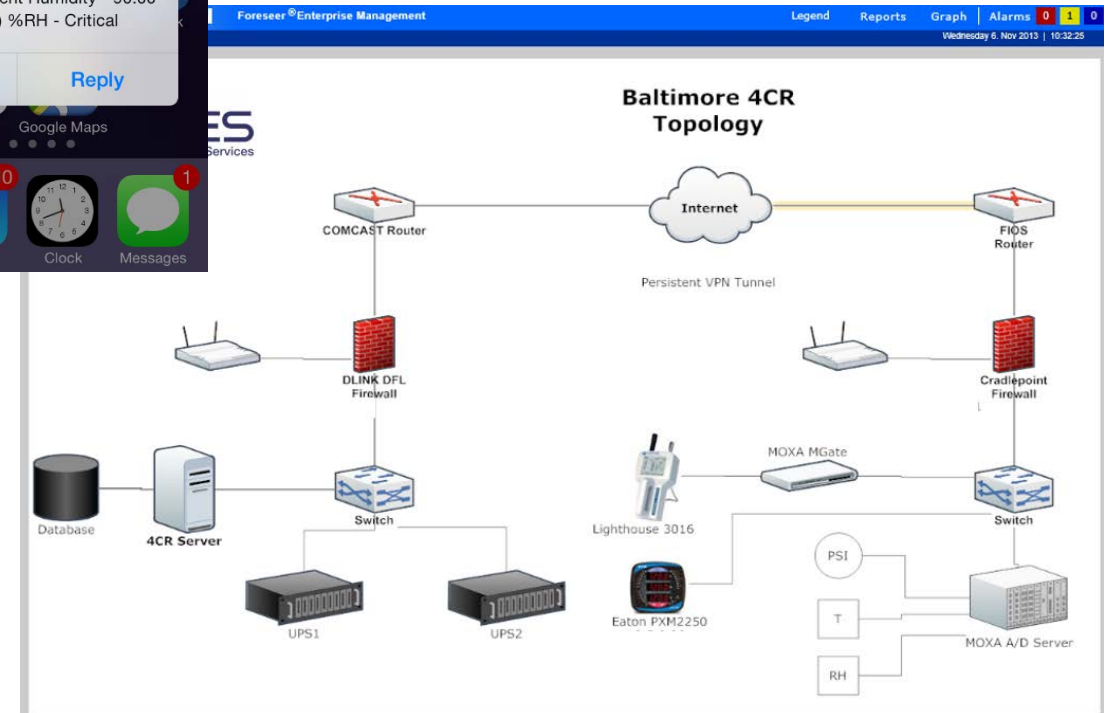

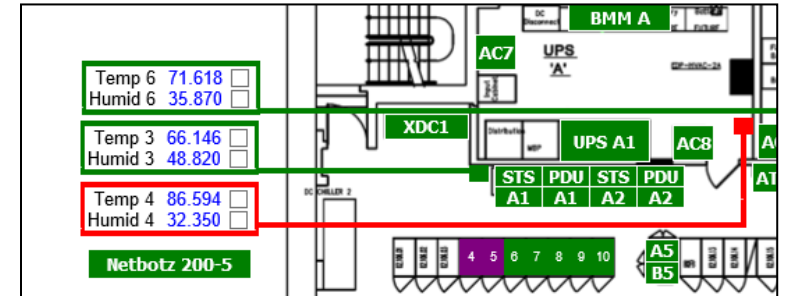

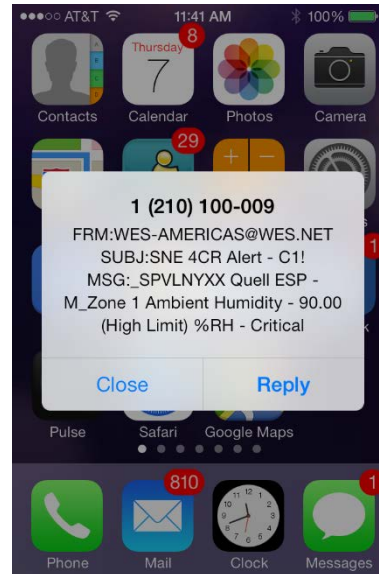

*Monitor Critical Factors
such as...*

- Airborne Particulate
- Temp & RH
- Pressure Differential
- Door Contacts

Real-time Data & Alerts

- Real-time Dashboards
- Automated Reports
- Archiving
- Text & Email
- Remote Tech Support

Energy & Performance Monitoring

- Integrate Construction Monitoring with a full Facility Monitoring Solution
